

# Join VSTE

Membership in the Virginia Society for Technology in Education is complimentary. Members receive the weekly newsletter with access to news and information and are also encouraged to get involved in our online community.

Members may also vote in the annual Board of Directors elections, held each spring. Only members in good standing 10 days prior to the opening will be permitted to vote.

NOTE: While we are happy to accept anyone interested in membership, new members must be authenticated before being able to access the members' only area of our website. We normally do approvals on Monday morning. You will receive an email when your membership is approved.
