

You're invited.

Come see the Goochland Elementary and Middle Schools iPad Deeper Learning Initiative program in action.

Join us for a visit to Goochland Elementary and Middle Schools to experience a one-to-one program that engages all students. Learn how the technology infrastructure supports innovation in teaching and learning. Hear from members of the school community and visit classrooms to discover the possibilities that mobile learning provides. Here's what you can expect during your visit:

- Experience students using iPad with a learning management solution to provide feedback to teachers and keep abreast of upcoming assignments.
- See how apps are used to support deeper learning through content creation in rich media such as iBooks, videos, and interactive demonstrations.
- Observe how students wirelessly project content from apps for discussion and sharing.
- Hear from the technology team about their successes at fueling deeper learning for students in grades 3–8.
- Learn how instructional technology coaches support teachers and the vision for deeper learning.

Agenda

- 9:00 a.m.** Welcome and program overview — Goochland Elementary
- 9:30 a.m.** Elementary school campus tour and classroom visits
- 10:45 a.m.** Middle school campus tour and classroom visits
- 11:45 a.m.** Closing: Building a digital learning environment at your school
